Our Christian Value this half term is Creativity

'He has filled them with skill to do all kinds of work as engravers, designers, embroiderers in blue, purple and scarlet yarn and fine linen, and weavers- all of them skilled workers and designers' Exodus 35:35

'If you can dream it, you can do it' Walt Disney

We have all been so pleased to have seen some bright sunshine at last, even to the point we were complaining it was too hot! The last month seems to have raced by and it is hard to believe we are in the final week of the term. It has certainly been a very challenging academic year again, with lockdowns, bubbles, self-isolations and illnesses.

For the last few weeks we have been preparing to say goodbye to our Year 6 children and their last few weeks have been packed with their production, a trip to Chessington and Go Ape. They have also enjoyed a selection of in school activities such as a Greek Workshop, Technical Lego sessions, Forest School, Leaver's Party, Preparation for the Year 6 Leaver's Service and Bikeability. No wonder they are all exhausted!

Staffing – We say goodbye to Miss Taylor Croft, who is leaving us to attend teacher training college and wish her luck.

Reception & Key Stage 1 Play ship – I am delighted to say that our play ship will finally be built during the summer holidays! It has been very frustrating waiting for planning permission to be granted, then the company who are building it having jobs on, but at last it will now arrive in late July. I would advise parents of Reception and Key Stage 1 to have a look at the ship on the first afternoon just before pick up, before making a decision whether they are happy for their child to play on it. The ship is an appropriate piece of equipment for that age group, but like all climbing and sliding activities, there is always an element of risk. Whilst it will be supervised when children are using it and there is a safety surface around it, children do have accidents and fall. If you do not wish your child to use the play ship, please opt out on the google form, which we will be sending to parents in September. **Please do not allow younger siblings or your school age children to play on the ship before or after school, as insurance is only in place when supervised by a member of school staff.**

PTA-I would like to thank Mrs Jen Plenty and her team of PTA members for all their hard work this year in organising events for our children to enjoy, as well as raising money for school. Despite the challenges of the year, they have raised a substantial amount to benefit our children. The sponsored run was a huge success and I would like to thank parents for their generosity in sponsoring their children, raising £5,641 for equipment for the junior trail. With the sponsorship money and money we have saved, we are purchasing 5 new pieces of equipment for the junior trail, including a wobbly bridge, a fort with a slide and a basket swing!

THANK YOU I would also like to thank all parents/ carers who have supported us in so many different ways over the last two years, which have not been easy for any of us. From wearing masks to one way systems, bubbles, cleaning etc we have all done our bit. I think we are all hoping that life will return to normal in September without the threat of lockdowns. We are all very much hoping for a normal year with the normal challenges of a school year. I do hope that you all have a wonderful holiday and spend time relaxing with your families over the summer break.

Reception & KS1 Play ship to be installed in July similar to ours!
