

# Greater Haywards Heath Bike Ride Returns for 2026

The **Greater Haywards Heath Bike Ride** is set to return on **Sunday 6th September 2026**, bringing together riders of all abilities for a day of cycling, community spirit, and local fundraising.

This much-loved event celebrates everything that makes Haywards Heath special—its vibrant community, beautiful surroundings, and active lifestyle. With routes designed to suit everyone, from families and first-time cyclists to experienced riders, it offers a fantastic opportunity to explore the stunning Sussex countryside right on your doorstep.

## Four Routes for Every Rider

Participants can choose from four clearly marked routes:

- **Green Route: The Sergison (20 km)** – A relaxed, family-friendly ride
- **Blue Route: The Cavalier (33 km)** – A steady and scenic challenge
- **Red Route: The Highwayman (78 km)** – A rewarding ride for regular cyclists
- **Black Route: Sweeping Valleys (119 km)** – A more demanding route through sweeping landscapes

Each route showcases the best of the local area, including quiet country roads and views across the South Downs.

## More Than Just a Ride

At its heart, the Bike Ride is about bringing the community together. Local cycling clubs, families, friends, and individuals all come together to share the experience — whether riding side by side or cheering from the sidelines.

The event also proudly supports two local charities, **Kangaroos** and **Crawley Open House**, giving participants the chance to raise funds and make a meaningful contribution while enjoying a fantastic day of cycling and community spirit.

## Join the Ride

The Greater Haywards Heath Bike Ride continues to grow each year, becoming a highlight in the town's calendar. It's a chance to be active, connect with others, and experience the very best of our local area.
