

# Day Students

Christ's Hospital offers an exceptional independent education and for local families, our fee-assisted day places make this life-changing opportunity more accessible than ever.

Choosing to be a day student at Christ's Hospital offers an opportunity to enjoy the full richness of a leading independent boarding school.

## **Engaging Academic Life**

Day students are immersed in an inspiring academic environment, with a broad curriculum taught by expert subject specialists who are dedicated to helping each student achieve their potential.

## **Exceptional Facilities and Opportunities**

Christ's Hospital offers access to impressive facilities — including extensive sports amenities, a professional theatre and an extraordinary art school. With over 600 individual music lessons delivered each week, our commitment to the performing arts is recognised nationally; we are proud to be named the Independent School of the Year for Performing Arts.

Day students enjoy full use of these facilities and take part in the same boundless broader curricular programme, from music and drama to sport and leadership opportunities.

## **Wellbeing**

Day students benefit from the same high standards of wellbeing provision that the school is known for — ensuring they feel safe, valued and inspired every day.

## **Lifelong Friendships and Community**

From wearing the iconic Tudor uniform to taking part in Band Parade and House events, day students are fully integrated into the Christ's Hospital community. The friendships formed here go far beyond the school years — they are built to last a lifetime.

## **Balance Between School and Home Life**

Being a day student allows students to take advantage of a structured, inspiring school day while returning home each evening. It's an ideal balance of independence and home support.
