

Award-winning Spanish classes for Year 2 at Holy Trinity: September 2026

Dear Parents/Carers,

The La Jolie Ronde Spanish club has been running for several years now at Holy Trinity and has proven to be very successful. As a previous Head of Department, with a passion for languages, I strongly believe learning one at a young age provides the children with confidence, an interest in new cultures and a sound grounding for Secondary School.

I use the award-winning La Jolie Ronde structured programme; more information about the methodology can be found here: www.lajolieronde.co.uk

The La Jolie Ronde programme has been teaching children for over 30 years and received the award for “**Best National Activity for 5-12 years olds**” five years in a row.

In Year 2, your son/daughter would follow the programme called ‘**Las aventuras de Mifú y Tina y sus amigos**. The children accompany the toy characters on lots of adventures, including a trip on a magic carpet and re-telling the story off the three little pigs. There are plenty of opportunities for games, songs and role-plays and we even put on a little play performance.

The course is part of a structured programme, allowing for progression each year. It is designed to enhance the children’s learning skills and to challenge them, in order for them to excel at the language and develop their language skills to the highest level possible. It is motivational and interesting but above all **fun**.

What our classes provide:

- A unique and well-established structured language course
- An authentic accent for the children to pick up
- Small classes with children of similar age (max. 12 pupils)
- Conversation, grammar, games, songs, role-plays, reading, listening and writing activities
- Awareness of the foreign country, its geography and culture
