Visitors and volunteers at our school bring with them a wealth of skills and experience that can enhance the learning opportunities of the children. Holy Trinity School welcomes, values and encourages them.

Visiting and Becoming a Volunteer

We have many requests from a variety of people who wish to visit or volunteer. These may be parents of children at Holy Trinity School, members of the local community or individuals interested in pursuing a career with children. It is important that we keep track of who is working in our school, where they are placed and for how long they will be with us. For this reason all requests from visitors and volunteers should be directed to the Headteacher who has responsibility for the organisation and/or placement of such individuals.

Aims and Values

All adults who work in our school, whether a paid member of staff or volunteer, are expected to work and behave in such a way as to actively support our school aims and values listed below.

- We aim to safeguard and promote the welfare of all our children in our care by providing an environment in which they are safe and secure and can be supported in their physical and emotional needs.
- We aim to provide a happy and healthy school environment where children and adults respect each other and take responsibility for their own actions.
- We support a policy of inclusion, where there are equal opportunities for all.

- We will provide a curriculum that is broad and balanced, that will help children prepare for the opportunities and responsibilities that are needed for now and later in life.
- We expect everyone to achieve high standards of work and behaviour both inside and outside school..
- We strongly believe that communication is crucial between all staff, parents and children and we will foster an ethos of openness whilst maintaining appropriate confidentiality.

Confidentiality

Volunteers in Holy Trinity School maintain confidentiality in relation to information about children at all times. Any concerns that visitors and volunteers may have about the children they come into contact with should only be discussed with the Headteacher or in her absence the Deputy Headteacher. Visitors and volunteers concerned about what another adult in the schools says or does, should raise the matter directly with the Headteacher or Deputy Headteacher.

Supervision

All visitors and volunteers are under the supervision of the Headteacher or class teacher. Teachers retain responsibility for the children at all times. Visitors and volunteers should have clear guidance from the Headteacher or class teacher as to how an activity involving children may be carried out and what the expected outcomes of any activity are. Visitors and volunteers are encouraged to speak to the teacher if they have a query about any aspect of a child's understanding or behaviour.

Health & Safety

The school has a Health and Safety Policy available on request from our school office and visitors and volunteers are made aware of any emergency procedures (eg. what to do in the case of a fire alarm) and about any safety issues associated with a particular task (eg. during a practical task). Visitors and volunteers are asked to exercise due care and attention and report any obvious hazards or concerns to the Headteacher or class teacher.
