

STARS AND DOTS

1. (3) Stars and dots and dots and stars,
They tell us who we are.
Stickers, we stick on every single
Wemmick, near and far.

2. (4) Dots and stars and stars and dots,
They tell us who we're not.
Stickers we stick, day in, day out,
We simply cannot stop!

CHORUS *Up and down the streets all day
Around the town we go, go, go,
Putting dots and stars all over everyone we know
(And even some we don't!).*

Repeat song

(Slower, getting faster to end)

5. Stars and dots and dots and stars,
They tell us who we are.
Stickers, we stick on every single
Wemmick, near and far.

6. Dots and stars and stars and dots,
They tell us who we're not.
Stickers we stick, day in, day out,
We simply cannot stop!
